MEMORANDUM FOR

The Secretary of State
The Secretary of Defense
The Director of Central Intelligence
The Chairman of the President's Foreign
Intelligence Advisory Board

SUBJECT: "Annual Report: Measures Taken to Enhance
Nation's Counterintelligence Posture"

It has recently been suggested that the requirement for an annual report on "Measures Taken to Enhance Nation's Counter-Intelligence Posture" be eliminated. As a result of consultations with the President's Foreign Intelligence Advisory Board, it has been determined that the report continues to serve an important purpose. However, in order to avoid duplication in reporting, agencies may omit from their comprehensive annual reports to the FIAB material which is also presented in the subject report on U.S. counterintelligence activities.
